Results-driven social media manager with 3+ years of experience in crafting high—performing strategies and creating engagement compelling stories for carousels, videos, and web content across LinkedIn, WhatsApp, Instagram, Facebook and TikTok. Proven ability to grow communities, drive engagement, and convert audiences into loyal customers. Adept at content planning, analytics, and strategy.

CORE COMPETENCIES

Social media strategy & Campaigns | Community Management | Copywriting & Storytelling | Analytics & Performance Reporting | Content Calendar Development | SEO & Hashtag Strategy

PROFESSIONAL EXPERIENCE

Social Media Manager
Ovie's Kitchen – Akure, Ondo State
May 2025 – Present

- Increased client social engagement by 50% across 3 accounts in 5 months
- Wrote captions and product stories that consistently drove high engagement
- Developed engaging content strategies that aligned with brand goals
- Rebranded their IG aesthetics and optimized it for online visibility

- Tracked performance insights and used them to continuously refine content strategy, resulting in higher lead conversions and follower growth

Content Writer (Remote)
HerAbility Hub
July 2023-Janaury 2024

- Wrote 2-3 contents per week for their LinkedIn account, the least word count for those contents were 500 words.
- Implemented UGC strategy that led to a 50% increase in visibility

Content Writer (Remote)
Boot Class
February 2024- Present

- Created and executed content strategy to align with brands goals for the semester and session.
- Wrote 2-3 contents per week for this student community. Each content aims to inspire, relax or educate students on how to bring their A game to their academics.
- After creating each piece, I diversify them to suit each platform we are posting on, carousels or video script for Instagram, long content or blog post for LinkedIn and Facebook and sometimes a content suits all platforms.
- Led content operations by collaborating with Graphic Designers, Video Editors to ensure on-brand, high-performing assets across channels.

Community Manager
Akure Mechatrics Community
August 2023- January 2025

- I was in charge of creating contents or dropping ideas/ intriguing comments that will make Robotics, Machine Learning and 3D Mechanical Modelling enthusiasts talk, make meaningful contributions on the group and attend our online and physical trainings/workshops.
- Engagement was done twice in a week, every full participation produces 50 comments or ideas, this in turn led to 20% increase in tech enthusiasts turnout at our physical events.
- I also was in charge of moderating monthly Twitter events.
